PROGRAMS and SERVICES

living well at HOME

Support for people throughout their illness, improving quality of life and well-being.

living well at HOSPICE

Care, compassion and dignity for people at end of life and their families.

living well with GRIEF

Children, youth and adults explore feelings of grief and loss, in a safe and supportive space.

living well as a CAREGIVER

Family caregivers learn healthy ways to cope and care for themselves, as they care for others.

OUR PROGRAMS AND SERVICES

Hospice Niagara helps people live **well** from the time of diagnosis with a life-limiting illness, at end of life and while grieving a death.

No one needs to do this alone.

Care, compassion and dignity are provided for people, caregivers and family members at home and in our hospice residence, **free of cost.**

THE NEED

**In Niagara, requests
for Hospice Niagara services
increase over **45%** annually**
